The Sixth Form Year Book

ST. PAUL'S SCHOOL

CONCORD, N. H.

1930

WITH AFFECTIONATE MEMORY

ELLSWORTH GREENLEY

GEORGE AUGUSTINE JAY

Foreword

IT IS to be noted that this year the book is being printed in Concord, that the advertising has been secured in a businesslike manner, and that every effort has been made to produce a form book pleasing to the large majority, yet conservative and free from avoidable invidious comparisons.

After much deliberation and voting on the part of the form and the committee, several changes have been made. The most important is the position of the activities of the Sixth Form. We have also added addresses and scholastic honors.

We sincerely hope that this volume will be one means of holding together in spirit the Form of 1930.

GORDON CHASE STREETER, *Chairman*,
JOSEPH BARKER, JR., *Business Manager*,
ALEXANDER ROBERT LAWTON, *3d*,

Class History

IN the fall of '24 a score of timorous first formers entered the portals of the Lower School. Of these two-thirds were graduated. Those were the days of "paddling" and "Bloody Sunday." Then boys were iron and squash racquets wood.

When we returned as second formers we were true veterans. We sat on the fence and wore bow ties. Many more "new kids" arrived that year to swell our number.

In the School in '26 we occupied cubicles for the third year. This life prompted the battles of a club whose name after an unfortunate encounter with the authorities became the "Cannot" club. Several of our members appeared on club and S. P. S. teams during this year.

In the fourth form we chose our first roommates and attended chapel services amidst dust and noise. This year marked the first use of the New Buildings. Members of our form were on almost every club and School team; we also led the School in studies. The ties of clique and gang were cemented at this time.

The fifth form marked our entrance into the societies in large numbers. We also stretched our feet in the chapel extension sub-stalls. In June we chose officers and made ready to shoulder the responsibilities of the Sixth Form.

The Year

WHEN the School re-assembled on September 25 we of the Sixth Form entered on our last lap. College Boards loomed close, we spent much time on athletics, and responsibilities redoubled.

In the sports all the School teams had good seasons especially in Baseball, Track and Squash. In the club series, the Isthmians won in Football; the Old Hundreds had championship teams in Hockey, Tennis and Baseball; the Delphians won Cross-Country, Track and Squash. The Halcyons won the first crew race and the Dole Cup.

The Missionary Society did much helpful work throughout the year and all the other clubs were active. The HORÆ more than equaled the high quality of previous years. The Council, under splendid leadership, carried on its varied and useful work.

Nor was the social side forgotten. The Upper Formers and athletes turned out in all their finery at a most enjoyable dance on Washington's Birthday given by the Rector. Race Day evening was the time of more festivities ably managed by the Dance Committee.

Among the novelties this year were exercises on the Chapel lawn, the use of Hargate dining-room, the debate with Groton, the formation of the Glee Club, the extensive use of the school radio and the introduction of mid-year exams.

We leave with regret, but with the hope that we have done our bit toward furthering the ideals and practices on which our school is founded.

Dramatics

ALTHOUGH there was no "Musical Comedy" this year, the School was entertained both by the customary play on Washington's Birthday and by a performance of *The Master Players*.

The Dramatic Club's production was titled "Three Wise Fools." It depicted the rejuvenation of an aging trio of settled habits by the arrival of a legacy in the shape of a girl of twenty. An escaped criminal burst upon the scene and— LeBreton, Stillman and Hawkins acted well in the parts of the three cronies. Robinson was a convincing and attractive heroine. In addition to the enthusiasm of the actors, it was the efforts of Messrs. Fiske, Mayer and Hawtrey that made the play a success.

Later in the winter term, the whole School was surprised and pleased by two plays presented by that versatile organization, *The Master Players* of Saint Paul's School. The first was a one act farce called "The Play-goers." The second was a gripping melodrama appropriately named "The Red Owl." The applause was sincere and conveyed the hope that such an evening would become an annual event.

The Horæ Scholasticæ

THE HORÆ SCHOLASTICÆ this year completes its seventieth year of publication. Except for a few short lapses, it has appeared regularly since 1860. We now have as a vital feature of school life the oldest school magazine in the country. This year Johnson and Wilsey as Head Editors, with Mr. Scudder, brought about several needed changes, but the contents have been of the usual high quality. This volume was particularly noted for its poetry and editorials. There were many entrants in the various competitions. The Williamson medals for this year were awarded as follows: for the best story to Hall, for the best essay to Pagenstecher and for the best poem to Wilsey.

The Literary Societies

THE past year was marked by intense interest and active participation in the fortnightly meetings of the Cadmean and the Concordian Literary Societies. Mr. Chittenden, Cox and Johnson were the officers of the former, and Mr. Scudder assisted by Wilsey and Eastland presided over the latter. There was no joint debate this year, but instead a select team composed of Stowell, deGive, Cox and G. A. Gordon defeated the Groton debaters in the big study, supporting the negative of the question. It is hoped that this may become an annual event.

The Societies

AS usual, the Missionary Society has had a very useful and very successful year. Under the able leadership of Mr. Brinley and F. L. Van Dusen, much has been done for the School. The Society is especially to be congratulated for the excellent group of speakers that it has heard during the year.

Great interest has been taken in the Scientific Association this year. It has had a good number of interesting open meetings that have been well attended. Mr. Sears and deGive have made a great success of the season.

The Library Association, headed by Dr. Kendall and E. E. Stowell, is to be congratulated and thanked for its good work. The Library has been in splendid condition and open in the evenings.

The Cercle Français has had an unusual number of excellent speakers this year. The number of members also has increased. It was headed by Mr. Fiske and P. W. Herrick, Jr.

The Forestry Club has had an excellent season. Under Dr. Haslam and S. F. T. Brock it has done much to beautify the woods and country around the School.

We are glad to see that the Propylean Society in the fourth form seems to have thrived.

S. P. S. Football

ON November 16 a group of players and friends arrived from St. George's School eager to avenge the rout of the previous year. The day was fair for the spectators, but rather too bright for the participants.

S. P. S. kicked off at 2 o'clock. The more experienced St. George's men came back with a rush. They drove all before them till the nervous S. P. S. team stiffened its defence and took the ball on downs on the twenty-five yard line. Then the visitors were pushed back to their eight-yard line.

There was a fumbled pass over the goal line and St. George's had the ball. This was the one fine chance for a score during the game. The second half was uneventful and the game ended a 0-0 tie.

All honor and praise is due to the coaches and teams A., B., C., and especially Z., which was a purely voluntary undertaking organized by some fourth formers.

DeGive, leading the team for the second year, was unfortunately able to play only a short time on account of injuries received during the season.

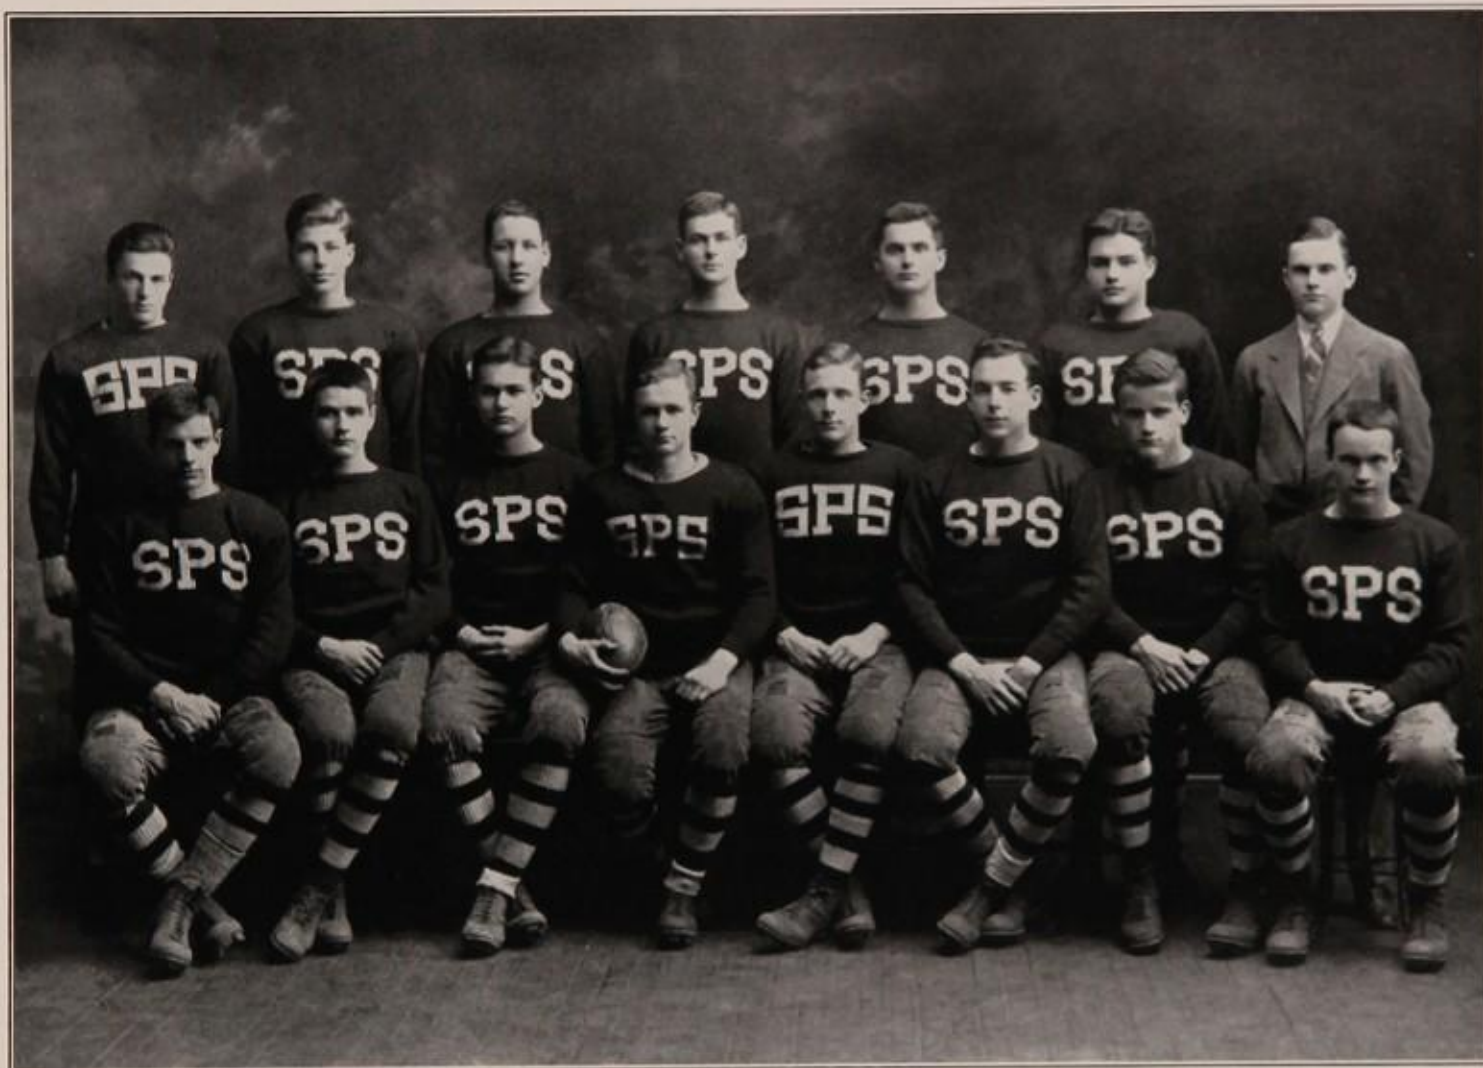

Those who saw the game can attest that, although unspectacular, it was a hard fought contest between two evenly matched sportsmanlike teams.

Club Football

AT the beginning of the season the Old Hundreds and Isthmians were considered the only possible contenders for the Championship. The Delphians, however, with only one veteran provided a pleasant surprise by winning a hard fought game from the champions.

On October 9 the Isthmians overcame the Old Hundreds by a score of 14-0. On October 12 the Isthmians defeated the Delphians 7-0. The Delphians fell at the hands of the Old Hundreds on October 16 to the tune of 12-0.

On October 19 the Isthmians and Old Hundreds met for the second time. In the first half a pass, Rulon-Miller, 2d, to deGive, resulted in a touchdown; the drop kick was blocked. Then the Old Hundreds made a determined drive only to be halted by the whistle on the four-yard line. In the second half the Old Hundreds three times got within twelve yards of the goal line but each time they were held for downs. The game ended Isthmians 6, Old Hundreds 0. This was undoubtedly the most exciting game of the series to watch.

The Delphians fought their way to a 6-0 victory over the Isthmians on October 23, but two days later the Old Hundreds proved superior to the Delphians, winning 18-0. On October 30 the Isthmians, although captainless, settled all doubts as to their superiority by conquering the Delphians 25-0.

Much credit should go to Mr. Black, the coach, and the late Mr. Fletcher, who did much towards laying the foundations of the first Isthmian championship in nineteen years.

S. P. S. Hockey

It is customary for the Year Book to report the S. P. S. Hockey games as, "Unusually exciting this year." This season, however, our games displayed three different aspects of very interesting hockey.

On December 21st, for the first time in history, the S. P. S.-Princeton Freshmen game was played in the Arena at Philadelphia; St. Paul's won by a score of 2-1. It was not until the last period that each team scored, S. P. S. drawing first blood. In the first overtime period, however, Pruyn endeared himself to St. Paul's by a magnificent, unassisted goal, thus winning the extremely close game.

Pruyn was also the hero of the Yale Freshmen game played here on February 12, under perfect weather conditions. In the second period, St. Paul's was discouraged by two very sudden and well executed scores, the first of the game, by Yale; but when the third period opened, S. P. S. commenced a frantic, but nevertheless machine-like drive. Pruyn scored two excellent goals from long shots, thus inspiring St. Paul's to score the other goal, this one by Wilmerding, assisted by Kirkland II, making the final score 3-2 in favor of St. Paul's.

In contrast to the first two games, the S. P. S.-Harvard Freshmen match, due to very watery ice, slightly resembled water polo. The game was marked by futile, although desperate, fighting on both sides, and by two casualties. It ended 2-1 in favor of Harvard.

Club Hockey

THE Club Hockey series this year had a surprising start and an exciting finish. All but the last game were played on hard ice, and under good conditions. The Old Hundreds consistently demonstrated their superiority.

On January 20th, the Delphians won the opening game from the Old Hundreds, who, largely due to Pruyn's playing, would have won, but for Belknap's work in the cage. The score was 4-3.

On January 22nd, the Old Hundreds played the Isthmians to a 0-0 tie, neither team showing superiority.

The Isthmians beat the Delphians in an overtime game on January 24th. Hasler made both goals in the first, and only, overtime period despite Belknap's excellent guarding.

As if to wreak vengeance for their first defeat, the Old Hundreds overwhelmed the Delphians by a score of 6-0, on January 27th. Pruyn and Belknap again excelled.

In a hard-fought game on January 29th, the Old Hundreds defeated the Isthmians by a score of 2-1. There was no individual play worth notice.

The Isthmians eliminated the Delphians on January 31st. The exciting game ended 3-1, Iglehart, Cooke I, and Mills I all playing well.

The Delphians were finally eliminated by the Old Hundreds on February 3rd. It took Pruyn's skillful shots to break through Belknap's guard, but the game ended 3-0.

The Old Hundreds won the Club Championship for the first time since 1921, by defeating the Isthmians 1-0 in the most exciting game of the season, on February 27th. Splendid Hockey was the order of the day, although the ice was soft. Wister I scored the winning goal.

Rowing

RACE DAY, June 4, was clear and very hot. At 3 o'clock the Flotilla was held in which thirteen boats rowed. The eighth Shattuck and the eighth and nines Halcyons continued up to the half mile mark from which place the Shattucks swept down to the finish line in record breaking time. The seventh and sixth crew races were won by the Halcyons. The fifth Shattucks won by two and a half lengths. The Olmsted Cup for Fourth Crews was won by the Shattucks by three quarters of a length. The third crew race for the Olmsted Cup resulted in a nip and tuck contest and a thrilling victory for the Halcyons by half a length.

There had been the greatest difficulty in seating the first two crews of each club. The second Halcyons finally defeated their first on the Saturday before Race Day, but the first Shattucks were unable to race their second because of the illness of one member. Thus when the second Shattuck crew led a procession winning by four leighths over a grimly fighting crew captained by the veteran Morse, the Shattuck hopes were high for the final race. At a quarter to five the first crews were off. A very fast start gave the red crew a slight lead at the first flags. It was never headed, though it staved off the spurts of the Shattucks with difficulty, to win by two lengths. Thus the score for the Dole Cup was evened, and the big, red banner waved aloft as the cheering crowd left the flagpole at six o'clock. Drury I a veteran of the 1929 crew was elected Captain for 1931. Davis, a member of the Shattuck second, in 1928, 1929, and 1930 was chosen to lead the Shattucks.

There was more than half the School rowing all season. What better proof than this is there to show that the coaches, Mr. Richards and Mr. Edmonds, and the presidents, Mr. Chittenden and Mr. Scudder, have made rowing a sport dear to many.

On Monday, June 9, the S. P. S. crew was posted as follows: Bow, Rantoul, (H.); No. 2, Huntington (H.), Captain; No. 3, Coggeshall (S.); No. 4, Breckinridge (H.); No. 5, Cannon (H.); No. 6, C. M. Kirkland (S.); No. 7, Davis (S.); Stroke, N. Brown (S.).

Track

IN the fall, nothing daunted by the noticeable absence of all three captains, there were many entrants in the three cross-country runs, all of which were won by the Delphians with small margins. Jay, Minor and Stockhausen were chiefly responsible for the first Delphian championship in ten years.

A squad of four competed in the Harvard Inter-Scholastics this spring. F. Kirkland placed fifth in the half mile. Hasler was third in the broad jump and fifth in the quarter-mile. Thompson and Minor failed to get points. This showing proved the high quality of S. P. S. track.

The Spring Meet was held on five different days, the climax of which was Anniversary June 5. The Delphians, as a product of Captain Thompson's leadership, won with a generous amount to spare. The Isthmians under Captain Hasler were second with Captain Kirkland's runners close behind.

Hasler was high point scorer, winning five events. Richard, although a Junior, accounted for twenty-four points and earned his senior letter.

The coaches, Mr. Black and Mr. Harman, were again neutral.

It is impossible to omit on this page a word to the memory of Mr. Jefferson Fletcher who made possible the new track, now named for him.

After a short address by Mr. Arthur Jones the cups and prizes were bestowed by Miss Calhoun. Pruyn was awarded the Hockey Medal; Paul deGive received the Gordon Medal for the best all-round athlete.

S. P. S. Baseball

THE S. P. S. baseball team with but little over a week of practice was perhaps the best that has ever represented the School. Exhibiting excellent team work, they managed to defeat their opponents, Concord High School, for the first time in three years, by a score of 6-0 in the annual game.

Club Baseball

THE quality of the baseball at St. Paul's has been steadily improving and this year three excellent teams contested a hard fought series. Nine games in all were played, which is an indication of the equality of the teams and interest in the sport. The Isthmians, with a poor start, came to the front only to be nosed out by a strong Old Hundred nine in the last game by a score of 8-7. Although the Delphians finished in last place, they put up a remarkable fight under the coaching of Dr. Haslam, who labored under the handicap of a lack of veterans from last year. Mr. Jefferys and Mr. Parkhill are responsible for much of the Old Hundred success, and Mr. Thomas is to be congratulated upon bringing the Isthmian team from the bottom to a very close second.

Squash

THE season 1929-30 on the Squash courts was marked by such interest and success that it seems only just to set aside a whole page as a record of this sport.

Beginners and experts thronged the courts at all times. The School championship was won by Hartford. An innovation in the form of a doubles tournament was hotly contested and finally won by two fifth formers. The Delphians under Captain Jefferson won the Club Championship.

The outstanding feature of the season was, however, the showing of the S. P. S. team which was composed by the following: No. 1 Foulke, Captain; No. 2 Hartford; No. 3 Stephens; No. 4 Barker; No. 5 G. R. Smith; with Jefferson, Brock and A. S. Clark as substitutes. This team dropped only four out of thirty-seven games, winning all matches decisively. The team was certainly the best in many years. The scores were as follows:

January	31.	S. P. S.	4	Country Day School,	1
February	8.	S. P. S.	3	Harvard Club "C,"	1
February	15.	S. P. S.	4	Union Boat Club,	1

Tennis

MUCH interest in tennis was shown this year both by the occasional players and the devotees. The S. P. S. team led by Foulke lost the first match to Exeter, 3-4, but won against Andover, 5-0.

Foulke won the School championship by defeating Hartford in four sets.

The winning doubles team, Foulke and J. Holmes, overcame the Cooke brothers in the finals. The Old Hundred tennis team composed of Foulke (Capt.), J. Holmes, Mitchell, Reese, and Pier, easily won the club championship.

Golf

THE School course was in fine condition fall and spring and was crowded with boys and masters. The S. P. S. team, led by Jefferson, was victorious in two of its three matches. This year both sweaters and blazers were awarded to the School team. A. S. Clark won the School championship. M. Wister and Dennison won the Garretson Cup for foursomes.

How high with hope our hearts were beating
 When first we came as new boys here!
 How soon the welcome of our greeting
 Dispelled each secret, doubtful fear!
 And through the years so swiftly flying,
 Each hour and day within her walls,
 More loyal makes the love undying
 Which thrills the sons of Old St. Paul's.

Too soon will come the time for leaving,
 When we must bid St. Paul's farewell;
 And take our place as old boys, grieving
 That school days we have loved so well
 Are gone for aye. Yet memory's magic
 Shall still keep bright, whate'er befalls
 In future days or glad or tragic,
 Our loving pride in Old St. Paul's.

In football struggles, fierce and glowing,
 In hockey's strife our part have we;
 How swiftly, with our powerful rowing,
 The crews dash on to victory!
 In all our sports, in study's hour,
 We've striven still to make these walls
 Re-echo to the highest tower
 Our hearty cheers for Old St. Paul's.

—WILLARD SCUDDER (1881-1885).

A SPECIALIST IN TENNIS RACKETS

Some people prefer to deal with a specialist, because their particular wants are looked after more carefully.

Agutter rackets are the result of many years of study of the game from a practical standpoint. Many thousands of hours of close application in making and teaching strokes are back of them. That is worth something to you.

G. Agutter.
